**Greenhorn Men's Club October 14th 2026 Meeting Minutes**

**Date: Wednesday October 14th at 1:30 PM**

**Location:** Camps Library

- Approval of September Minutes- Approved
- **President's Report – Gregg Smith**
- It's hard to believe two years have gone by already since we began our term as officers. I personally want to thank each of our 2025-2026 officers for their service, dedication, and contributions of new ideas. I feel our enthusiasm in getting people to sign up for weekly play and tournaments really paid off. Steve Baccei came up with some new and fun weekly games that contributed to higher attendance each week. Tom TenEyck did an excellent job at managing our player handicaps, running reports, with minimal negative comments from a few members. We have been fiscally responsible in managing the finances and budget thanks to Steve TenEykc's guidance and leadership of our club funds. Gary is a master at consolidating our reports and meeting discussions then making sure Greenhorn management posts the minutes. Mark has done an excellent job at keeping our plaques up to date and getting the best possible engraving deals and avoiding costly set-up fees as well as making sure new members feel welcome in our club. Finally, I thank Craig for being a good coach in managing the 12 Man play and improving our win/loss record from recent years.
- Fortunately, many of the current officers will be serving on our board for the 2027-28 term so I expect we will continue to improve the club and even grow it in membership numbers. I feel the two new officers, Fred Hunziker and Phil Mazzucco, (Member at Large and Handicap & Rules Chair) will bring in more new ideas and fresh perspectives.

- I believe this year's Appreciation tourney and luncheon will be one of the best with good food, drink tickets, and great raffle prizes. Let's have fun and celebrate two years of success and new friendships.

**Proshop Report – Josh Criswell Good morning, Gentlemen.**

We have 74 golfers signed up for the Appreciation event, which leaves two teams as threesomes. My suggestion is to have those teams alternate who hits the fourth shot. But let me know your thoughts.

Additionally, Bob Kolakowski and Ric Armer will be joining for lunch only, bringing our total lunch headcount to 76.

I will email Diane to update her as well.

**Vice President Report – Bill Hogan**

**- Thank you Gregg for your leadership these past two years**

**- I'm working on merging and updating the existing versions of our Bylaws for board review/approval**

**Secretary Report – Gary Chambers -absent,**

I emailed out weekly tournament and club championship announcements. I send out nominations for the Bob Heise Award. I sent out ballot for Men's Club Officers for 26-27. I sent out reminders of Year end free tournament and luncheon. I will be gone October 6-21 seeing the fall colors and playing golf in New England. Thank you all for all your help this year.

**Treasurer Report –Steve TenEyck**

I have paid the NCGA bill for our new membership fee of $48.00. We will be getting with Diane after the Wednesday Men's Club meeting to go over the final details. Gregg has set this up and I will attend as well. After my return from my vacation, I checked in with Josh, and he said that he is set

for the Men's club Luncheon with all the prizes. Steve Baccei will be offering some other items to use as gifts for our members as well. He also has the drink coupons as well. Let's verify this is true since I saw this in an email. Drinks ticket is good for wine, beer, or well drink $8.00 a piece. Gregg was supposed to give Diane a final head count by 10/12/26. Let's verify this number as well. Financially things are in line as per our budget.

**Handicap and Rules Chair Report – Tom TenEyck**

There were 565 Rounds posted this month that's 114 fewer rounds than the previous month.  of the 565 rounds 505 were posted from GHC and 60 from
outside courses. I would say the heat and vacationing had something to do with the lower rounds posted.
The players with double digit rounds posted are as follows:
14-A Juknelis
12-S. Hatcher, T. Thompson, R. Walker
11- R. Armer, K. Helmbacher, B. Hogan, M.McDaniel, R.Rammorini Sr.
10- J. Bailey, J. Leeper
We have 1 Hard Cap and 9 Soft Cap players in our System.
At the Members Appreciation meeting we should Award Greg Horvath with the Most Improved Player for the 2026 year improving his Handicap Index from 15.7 to 11.5
a reduction of 4.2 which is equivalent to 5 strokes on the white tees.

**Member at Large Report – Mark Hitchcock -Absent**
