President's Report – Gregg Smith

I have heard a number of members say they are looking forward to the new ownership whose business model is focused on golf and course maintenance. I do feel there may be some growing pains for us as there

could be some changes in membership packages and trail fees, but we shall see. I do feel we as a large Men's Club membership needs to be supportive and communicate our priorities as a club going forward. I am anxious to see improvements in course conditions like other local courses they operate have experienced, but like everything here in the foothills, it will probably take some time. It will be very interesting to see what changes are implemented at our restaurant and bar service. At a minimum, I hope they give us an opportunity to voice our concerns and opinions at some point in the future.

As a side note, we collected enough donations for two sponsor signs for the MTMC Barger tournament at Copper Valley from the Men's Club. Thanks to all that contributed! It was a big success.

A warning letter to a member about possible suspension from play in Greenhorn Creek Men's Club weekly play and tournaments was approved by the board and will be sent to member.

Vice President Report – Bill Hogan

Board members:

We added a new member to our roster in May, Sewell Hatcher. I did the required work in Member planet, Steve took care of the finances, Gary and Mark updated the relevant email lists.

The Thursday 12 Man team made a strong showing at Pine Mountain Lake last month, coming in only 2 points behind the home team. Gary and I played together and managed to win 6 points in our match, largely due to Gary's outstanding shot from a bad lie in a bunker on the 16th hole. The shot stopped 18 inches from the cup, the putt was conceded, and that sealed his individual match as well as the team match. PML folks were good hosts and well organized to receive us. I'm glad we are in the

same regional grouping with them this year, it was a beautiful day of golf on their course, despite the tricky and fast greens!

I'm looking forward to working with our new owners when the transaction closes. Both of the other local courses they acquired recently are in great playing condition, which seems like a very positive sign for our future.

Secretary Report- Gary Chambers

I emailed members about the Weekly and Monthly tournaments. I took the minutes at the May meeting. I sent April minutes to Miriam for posting on the GHC website. Gary needs to send out an email for nominations for the Bob Heise Award.

Treasurer Report –Steve TenEyck

I paid 2 checks (1) for \$142.11 and another for \$40.59. I made 1 more payment to the NCGA for our (2) latest members, Travis Ziehlke and Sewell Hatcher. Sweeps money stands at \$990.92 as of the end of May. One topic I would like to talk about is the Appreciation Luncheon since we will be under new management. As talked about at our last meeting I need to set things up early because I will be out of town for a month starting on 9/7/2026 until October 7th. It would be nice to have things finalized before I leave hopefully in the middle of August.

Steve will send the committee an updated membership list.

Tom Ten Eyck--Handicap and Rules Chairman

Thank you Mr. Hogan for handling the captain's duties at Pine Mtn. He did an amazing job and almost snuck out of there with a win. Thursday 12 man team currently at 2 wins, 1 loss.

We have 3 remaining matches in July. Our June 18, match at home was moved to July 9, due to the change in ownership.

July 2, at Copper

July 9, home vs Sequoia Woods

July 16, home vs Pine Mountain Lake.

I am waiting until new owners arrive to check on obtaining a better price on food. Hopefully I can lower the price of the remaining matches.
