Welcome

To Greenhorn Creek Resort

Celebrating 30 Years of Greenhorn Creek (1996–2026)

Experience the best of championship golf, refined dining, and resort-style living in the heart of California's Gold Country.

Set among rolling Sierra foothills and centuries-old oak trees, Greenhorn Creek offers more than just a round of golf — it's a place to unwind, connect, and belong. Originally redesigned by legendary architect Robert Trent Jones Jr., our championship course blends natural beauty with thoughtful design, creating an experience that is as enjoyable as it is unforgettable.

Beyond the course, Greenhorn Creek delivers a complete resort lifestyle. At CAMPS Restaurant, enjoy seasonally inspired cuisine that captures the flavors of Northern California — whether dining indoors or on our scenic veranda. In the Cellar Room, explore a curated selection of local wines and premium spirits, perfectly paired with chef-crafted charcuterie in an intimate, welcoming setting.

Our resort also features a full range of wellness and recreation amenities, including tennis, pickleball, and bocce courts, two serene saltwater pools, a relaxing hot tub, and a fully equipped fitness center — all designed to elevate your everyday experience.

With over 300 days of sunshine each year, Greenhorn Creek Resort is your year-round destination for exceptional golf, memorable dining, and a lifestyle built around connection, relaxation, and unforgettable moments.

Join us as we celebrate 30 years of tradition, community, and timeless experiences.

Join the club. Stay for the experience.
